Application Instructions

- If your household receives **SNAP, TANF or FDPIR**, complete parts 1, 2, 3 and 5; parts 6 and 7 are optional.
- If you do not receive these benefits and your income is below the guidelines, complete parts 1, 2, 4, 5; parts 6 and 7 are optional.

Any income fields left blank will be counted as zeros. Please be careful that you meant to leave income fields blank.

DETERMINING MONTHLY INCOME FOR EARNINGS & WAGES

Monthly income for all household members must be reported in Part 4 of this application. Income means any money regularly received from work, child support, alimony, pensions, retirements, social security or any other source. Exclude student/school loans.

Household members who are not paid monthly should change earnings into monthly income by doing the following:

Household members who are <u>paid every week</u>: Multiply total earnings and wages for one pay period, before deductions, by 52. Then divide by 12. The resulting amount is the total monthly income.

Household members who are <u>paid every 2 weeks</u>: Multiply total earnings and wages for one pay period, before deductions, by 26. Then divide by 12. The resulting amount is the total monthly income.

Household members who are <u>paid twice a month</u>: Multiply total earnings and wages for one pay period, before deductions, by 24 then divide by 12. The resulting amount is the total monthly income.

Household members who are <u>seasonal workers or work less than 12 months</u>: Project annual rate of income to accurately represent actual circumstances then divide by 12. The resulting amount is the projected monthly income.

Note: Money received from a business or farm owned by you should be reported as "net income." Net Income is defined as the total income left after business and farm operating expenses are subtracted from gross receipts.

PRIVACY STATEMENT - SOCIAL SECURITY NUMBERS and OTHER INFORMATION

The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information but if you do not, we cannot approve your child for free or reduced price meals. You must include the last 4 digits of the social security number of the adult household member who signs the application. The last 4 digits of the social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals and for administration and enforcement of the lunch and breakfast programs. We **may** share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules. We may share the information on this form with Medicaid or the State Children's Health Insurance Program (SCHIP), unless you tell us not to. The information, if disclosed, will only be used to identify eligible children and seek to enroll them in Medicaid or SCHIP.
